

ISY Parents Association Service Learning Grants

Application Form

The ISY Parents Association Service Learning Grants support ISY students in community service efforts. Students can apply for grants of up to \$250 USD to fund materials, equipment, labor and other expenses associated with Service Learning Projects. Shortlisted applicants will be interviewed. Submit applications or questions to paboard@isyedu.org, anytime up to February 1, 2019. Please note we only have a small number of grants to award so not every application will be successful.

There is no need to print this form - simply fill in the shaded areas below, select the amount you are applying for, agree to the conditions, save and email it back to us as an attachment. Easy!

Details of person completing this form:

Service Learning Project details:

Project Name

Description
of Project

When will
the project
happen?

How do you
think the
project will
benefit the
community?

If you are working
with an organisation
outside of ISY on this
Project, are they
happy to work with
you? How do you
know?

How much money are you
applying for in this application?
(please chose from one of the
following)

\$50

\$100

\$150

\$200

\$250

Exactly what would this money be spent on?
(please be as detailed as possible)

If you succeed in getting one of these grants you must keep receipts of all expenditure, you must also submit a short report to the ISY Parents Association about how the money was spent, what the benefits were, and what you learned. This is important. Do you understand and agree to these conditions?

YES NO

Please send completed applications to paboard@isyedu.org. Good luck and best wishes!
